Also, I am going to EXPLO on Monday morning, leaving about 1030 am. Would it be of any benefit for me to hand deliver anything to LANG (Col. Stuckey) or EXPLO (site manager Terry Wright)?

I'm good. Thank you for ALL your help.
I'll put the 104(e) letters into concurrence as soon as I get the addresses. Explo is already in concurrence.

I'm working it now. Let me know what time you need them by. I'm starting with emails and will call if necessary. Some are more receptive than others.

I'm ccing you on all emails. GD will be the difficult one. I'm starting from scratch on that one. Sorry for my delay. This morning was hectic on several levels. Mostly that damn briefing. UGH.

I appreciate you bunches and please don't hesitate to call me with anything I can help you with.

HUGS
